ELITE Academy features exclusive NIJO legal-based jail training, targeted administrative focus, and leadership at the highest level. With a unique curriculum specifically designed for jail and correction administrators and executives, attendees will receive training and hands-on instruction facilitated by the nation's top experts. Limiting the number of participants per session in a world-class setting enhances the individual learning experience while building career-spanning relationships through classroom and off-site events among attendees, sponsors, and NIJO Executive Staff. If you are looking for the best training available for command staff personnel, the ELITE Academy will provide essential skills necessary to perform at the highest level.
